

Competition Resources

Thank you for signing the confidentiality and intellectual property rights agreement. Please keep in mind that Competition resources and materials cannot be shared with anyone outside your team and advisor (if your team has an advisor). Sharing materials outside the team may be grounds for disqualification.

Click the links below to download the materials you will need to enter the Competition. Minor revisions may be made in the future; we will notify registered team leaders of any revisions.

At the bottom of the Resources page, click "save and finalize" -- this will generate an email to team members giving them access to the Resources.
